

**EVERYBODY  
PLAYS A PART**

**WILLMOTT DIXON**

**SINCE 1852**

## **LEGAL AND SUSTAINABLE TIMBER**

All timber or timber products supplied to Willmott Dixon projects must be procured from legal and sustainable sources, as well as provided with a full Chain of Custody.

Evidence of legal and sustainable timber can be demonstrated by supplying timber or timber products with certification under either the FSC® or PEFC schemes

The Mark of  
Responsible Forestry

Promoting Sustainable  
Forest Management

## **TYPES OF 'FORMAL CLAIM'**

x% PEFC Certified  
PEFC Recycled  
FSC 100%  
FSC Mix x%
